Old Business:

- *Tent for Outdoor Show ring- Kevin from fairgrounds hasn't had a meeting. Looking at getting shade for the pig show. Casey has power poles.*
- *Barn Layout/ Show Arena- Make sure we have room for all animals including poultry and rabbits since they are coming back in the big building.*
- *Other- Jana brought up about youth council seeing if seniors could sell first. Dave brought up not all kids have animals. James will talk with his daughter and the pro's and con's. Katie added people that go and do the marketing are putting in the work. People talked about doing a BBQ at fair for seniors. More to come on this. Dave will recommend to council outdoor does not support this.*
A family asked about tagging of animals for fair. Each member can only sell 2 animals, but nothing is in the exhibitor handbook about how many you can tag and bring. All agreed as a committee you can only bring 2 total species. Will add to handbook and Dave will call that family back.

New Business

- *Processors- K&S will not be doing any processing this year. Wendy's health and dad is retiring. 67 total beef, 100 hogs, 9 sheep, and 10/15 goats. Rawhide is not interested. Georgianna will look for a processor.*
